

600ACB

## Clear Barrel Lever Action Grease Gun

December 2021 Update

**The 600ACB Clear Barrel Lever Action Grease Gun, manufactured in Germany, provides superior performance and delivers more grease on demand, where you need it.**

Capable of generating grease pressures of up to 12,000psi (828bar) and delivering up to 1.6g of grease per stroke, Alemlube's 600ACB utilises its Twin Lock System that seals the piston and eliminates the possibility of dummy lubrication.

Furthermore, the patented Ever-Flow System enables the gun to be used even with most thick, tacky greases up to NLGI3.

Reliable, dependable and genuinely heavy duty, the 600ACB is manufactured with a light weight and compact aluminium die cast head assembly, a four jaw coupler, and a rigid extension.

Always the grease gun of choice, the 450g 600ACB with a 4-year warranty is guaranteed to perform and exceed your expectations.

Use safety goggles and gloves when operating this grease gun to avoid personal injury.

**General warning:**

Do not use a high pressure grease fitting as a loader fitting. Excessive pressure can cause personal injury and damage to your valuable equipment.

**SPECIFICATIONS, FEATURES AND BENEFITS**
