## ESOC Electronic Commercial Vehicle Oil Change Solution

  
2  
YEAR  
WARRANTY

March 2024

**Manufactured in the USA by ESOC, the ESOC875E electronic commercial vehicle oil change solution is a revolutionary way to dramatically reduce labour time and costs by quickly completing truck and commercial vehicle oil changes in 10 to 15 minutes allowing the technician to perform other tasks during the operation.**

ESOC's mission has always been to develop Green fluid exchange technologies for preventative maintenance of heavy and light duty engines that are fast, minimise truck down time & are quick & easy for the technician to perform.

Supported by multiple truck brand fittings, the ESOC875E can be used on a wide variety of trucks and commercial vehicles.

Approximately 38 litres of oil can be exchanged in 10 to 15 minutes, making this a smart addition to commercial vehicle servicing workshops seeking real cost savings and improvements in time saving equipment.

With features such as automatic oil sampling and patented spill-free quick connect fittings, this electronic oil exchanger uses the latest technology to increase speed and productivity in oil extraction and refilling.

### SPECIFICATIONS, FEATURES AND BENEFITS

- Purges waste oil and refills with new oil for commercial vehicles in approximately 15 minutes
- Requires 100psi compressed air, new oil under pressure at 300psi, connection to a bulk waste oil tank and connection to either 240V, or a 12V power supply for mobile use
- Can be vehicle mounted for off-site oil changes
- Onboard fluid management system
- USB for data transfer and saving
- Records vehicle ID, mileage, amount of oil added and Tech ID
- Exchanges 38 litres of oil in 10 to 15 minutes
- Removes oil from sumps, filters and passages
- Automatic oil sampling whilst oil is being removed
- Metered oil delivered under pressure provides a pre-lube to the system
- Instant oil pressure eliminates bearing burn to improve engine life
- Fully electronic and metered oil dispensing
- Patented spill free quick connect fittings
- Saves approximately 40 minutes labour time per oil change
